Don't be trying to touch my cream  
Got the mask and the machine  
In the trap with my team  
Getting closer to top of this...  
Now go find you a coffin, bitch!  
Hey, competition is the mirror, hoe!  
Call me Coca call me original, bitch  
So natural!  
Shoe, game always magical, oh!  
Got the flow of a 90s kid  
Whip all white, is easy shit, hey!  
Hey, yeah gonna keep me rich  
I'm gonna end your career, you sleepy bitch!  
Trust! Better quit that act!  
Fake ass jewels I strip that ass!  
All these hoes is punks  
Let me make my money and smope my skunk!

Hook:  
Where the hoes? I'mma call some  
All the way from Brooklyn to Compton? Yeah!  
Where the hoes? I'mma call some  
All the way from Brooklyn to Compton? Yeah!  
Where the hoes? I'mma call some  
All the way from Brooklyn to Compton? Yeah!  
Where the hoes? I'mma call some  
All the way from Brooklyn to Compton? Yeah!

Pimping and that's how I'm pimping  
(And that's how I do it, hoe!)  
Pimping, that's how I do it in Compton!  
Pimping and that's how I'm pimping  
(And that's how I do it, hoe!)  
Pimping, that's how I do it in Compton!  
Pimping, pimping, that's how I do it, hoe  
(You're in Compto, pimping!)  
I'm pimping, that's how I do it in Compto!  
And that's how I'm doing  
I'm pimping!  
That's how I do it, hoe!

Uh, fuck around on the wrong one  
Tear you to a fan when the song done  
Where the hoes, I'mma call some  
All the way from Brooklyn to Compton? Uh!  
Check my all black Jesus piece  
Kids with gold teeth at my meet and greet, uh!  
All my goldies hold it down!  
Hit that islands now, I'm golden brown!  
Cut the fuck shit, not tonight  
Rather play station and eat some rice  
They love the fashion bite  
They just can't live my faster life!  
My wardrobe mean is fuck  
Got a new chain, it's clean as fuck!  
Used to run from the cops  
And still Honey C from the block
