And we gone do it all night  
You smoke, I smoke, you drink, me too  
Well good, let's get drunk tonight  
And all my bitches bad, we gettin cash  
Well we gone spend it all tonight  
So boo I'll do what I want too with you  
We gone have fun tonight

[Verse]

Southside clubbin', 90's night  
And I met boo he was just my type  
I asked him what's his name and what he like,  
He answered me and said yous a baby right  
I told him I'm 19 I live a gold ass life,  
But I'll tell you what the 90's like  
And I am what these niggas like  
Just give me one night, asian and take the pipe,  
So what you waitin' for, You like my outfit cause I'm  
from the north  
Young goddess, I can buy the stores  
Independent bitch you can have yours  
Shit we ain't gotta cut from the club we can party and  
drink  
But if I make a move what the party gone think,  
Still it's whatever cause the party is shit  
And imma show you the keys and you show me your  
dick,  
Aye is it wrong if I bring you home  
Tell all your homies we gone be alone, it's our zone  
You found a gold ass bitch  
2 times for a gold ass bitch come get it aye
