[Verse]

Tell these bitches I'm queen, tell these bitches I'm gold
If you been where I've been, then you'd probably turn
cold

I give a fuck 'bout you bitches who got a problem with
me

I do shit for myself, nobody got it for me

You got an issue with me, but you ain't licensed to
speak

'Cause I be feedin' the streets, your ass is nothin' to me
I've been hot with the lyrics and I've been dope with the
fashion

I said I want it I need, I done spoke, I take action
And when you talkin' I'm workin', I'm gettin' things I'm
deservin'

But at a point I was hurtin' and gettin' nothin' like
virgins

I be takin' my time, I'm only twenty years old
Nobody fuckin' with Coca, I tell them suckers "go
home"

Bitch I'm hype 'cause I'm certified, all my bitches
qualified

Fuckin' with my team, finna get your face modified

What you comin' for me? I ain't scared, fam'

I eat them J's off your feet with my bare hands

Stupid-ass bitch just stop

'Cause I ain't finna tolerate this shit you talk

Unless the bitch a boss she gettin' boxed

They said Coca been on, and bitch you not

I be 'bout it but I ain't the type to start shit

Asian bitch, never a fool, always some smart shit

Who you playin'? I done learned the game

Nobody teachin' me shit, 'cause me and you not the
same

So get to suckin' bitch, you talk too much

You get a bit of fuckin' fame, think you popular

You twerkin' for a name, niggas bought you stuff

I make my own damn money, and I shop enough

They say I lie about the shit I do

Now you flexin' 'cause Coca ain't fuckin' with you

Bitch, swerve - I make moves, it's the truth

This the mafia, bitch - who you?

[Outro]

All you bitches just got slayed - Honey Cocaine

Gold Gang - Cold Crew

Bitch
