Iâ€™m about makin money nigga fuck friends  
I ainâ€™t messin with these suckers Iâ€™m like fuck them  
I never talk, never speak, never trust them  
Me n my toolie walk together, fin to done done  
Ok, I run them, my toolie always down  
Iâ€™m from toronto where the hearts and the money  
brown  
You fucking up if you sellin at my side of town  
My city with me and we fin to get it by the pound  
Iâ€™ve got gold by the tellie when Iâ€™m sellin shit  
These foolies hatin but my atitude is celibate  
I misbehave it Iâ€™m like fuck it bitch Iâ€™m getting rich  
If you broke just get a bag and get yourself a brick

[Hook]

Click, clack bang, Iâ€™m doing my thang  
Itâ€™s just me n my toolie making your bitch sang  
Click, clack bang, Iâ€™m doing my thang  
Itâ€™s just me n my toolie making your bitch sang  
Itâ€™s just me n my toolie, itâ€™s just me n my toolie  
Itâ€™s just me n my toolie, itâ€™s just me n my toolie  
Itâ€™s just me n my toolie, itâ€™s just me n my toolie  
Itâ€™s just me n my toolie, itâ€™s just me n my toolie

If you ainâ€™t moving right, you gonn get left  
I ainâ€™t toleratin hoes, they gonn get teked  
A toolie make sure that youngin never get stressed  
Iâ€™m a queen bitch ainâ€™t off in to get next  
They ainâ€™t capable of doing what the queen do  
These sluts livin fake lives while Iâ€™ve been true  
What you gonn lie till you die is what the thing do  
All my family is gâ€™s is the real crew  
Iâ€™ve been a thug since birth, I done been through  
worse  
So if I ainâ€™t the best, nigga fuck your turf  
Got the toolie in my pants, toolie in my shirt  
Now if you with the shit someone gonn get hurt, brat!
