Let's do it outside at the beach, let me tell you bout'
asians we freaks,
Damn, it's what you doing to me, and I don't want shit
my lovin' is free,
I-I-Ima make you feel so addicted
So if I ain't home you gon miss it,
Is-is-is you wid' it I hope, just taste my ocean and rock
ma boat
I said is-is-is you wid' it I hope, just taste my ocean and
rock ma boat let's go,
Rock the boat (x16)
He rocked it once he gon' rock it twice, three times for
the bitches who can rock the pipe,
Fuck it I ain't tryin' work today, i'm just tryin' love, smoke

Why-why the perfect day, but let me hit the studio it's
worth the wait
You-you-you deserve it like nobody else so I let you
have Honey all to your self
Cocaine love you just won't get enough, this what all
them other niggas tryna touch,
But I don't mess with niggas cos they ain't like you, no
other, nobody can compare to you
Is-is-is you wid' it I hope, just taste my ocean and rock
ma boat
I said is-is-is you wid' it I hope, just taste my ocean and
rock ma boat let's go,
Rock the boat (x16)
