Looking back, all I ever wanted was to go to school  
And get a rocking band, playing all the dances could  
be really cool  
We got a date, Friday night a mixer at the high school  
gym  
The band was hot, everybody rocking 'til the jerks  
rolled in  
Who let them in?  
They stroll around and stare you down so low  
They wanna push you down and put you down so low  
What do they know?  
Bully bully, oh, bully bully  
Bully bully, oh, bully bully  
Bully bully, oh, bully bully  
Bully bully, oh, bully bully  
It started fine everybody dancing having F-U-N  
But late that night it looked as though we'd have to  
face the "angry ten"  
There he stood, a spineless, mindless moron with a  
hippo build  
And then I know I understood the feeling that I might be  
killed  
I could be killed  
He came around to track me down it's true  
He wanna bring me down and hold me down it's true  
What can I do?  
Bully bully, oh, bully bully  
Bully bully, oh, bully bully  
Bully bully, oh, bully bully  
Bully bully, oh, bully bully  
(Gonna wreck the show) Hey what makes you so angry?  
(Gonna bust your nose) Hey don't get down on me?  
All we wanna do is rock you mister, can't you see?  
(Are you boy or girl?) I'm a bigger boy that you are  
(Prove it Mr. Big) The proof is in the band  
Won't you just relax, we gotta make you understand  
He made his move, he shook it up and sprayed his  
beer all over me  
I blew my cool, I lifted my guitar and busted out his  
teeth, oh yeah  
Bully bully, oh, bully bully  
Bully bully, oh, bully bully

Bully bully, oh, bully bully  
Bully bully, oh, bully bully  
Bully bully, oh, bully bully  
Bully bully, oh, bully bully  
Bully bully, oh, bully bully  
Bully bully, oh, bully bully
