Things I saw things I see
Things that you wanted me to be
But I cannot change

Same routine over again
You call me up just to be my friend
Things are still the same

Been so long since we started
Even longer we've been parted
Doesn't look like we're gonna make it
Cause this time I'm not gonna take it
Not gonna take it anymore

What you want is what you get
You smile sweet when you're really getting wet
Know you all too well

Same routine; back again
You say our story never had an end
There's nothing to tell

Been so long since we started
Even longer we've been parted
Doesn't look like we're gonna make it
Cause this time I'm not gonna take it
Not gonna take it anymore

Strange
Mixed
Up
World
Where the
Girl
Uses
The
Boy
Til
She
Gets
Horny

For
Other
Guy

Its hello then good bye

Same routine; back again
You say our story never had an end
There's nothing to tell

Been so long since we started
Even longer we've been parted
Doesn't look like we're gonna make it
Cause this time I'm not gonna take it
Been so long since we started
Even longer we've been parted
Doesn't look like we're gonna make it
Cause this time I'm not gonna take it
Not gonna take it anymore
