We got a beat, we got a good good beat we got a beat
We got a beat, we got a good good beat we got a good
beat
We got a band, we got a good good band we got a
good band
We got a beat, we got a U.S. beat, we got a good beat
When I'm edgy and I feel a little crazy and I'm going
wrong
Should I take a drink or should I try to think about a
simple song
What is wrong?
Full moon turn my head around and 'round
I should have listened to the almanac it said that I
should stay in bed
When the moon is full a boy like me can definitely lose
his head
What I said
Full moon turn my head around and 'round
Full moon turn my head around and 'round
Turn around, really wanna turn your head around
Turn turn around
Full moon turn my head around and 'round
(guitar solo)
Turn around, really wanna turn it
Don't turn your head but around and 'round, oh yeah
Full moon turn my head around and 'round
I should have listened to the almanac it said that I
should stay in bed
When the moon is full a boy like me can definitely lose
his head
No no no no no no no no nooooo....
No no no no no no no no nooooo....
Come on Mr. Moon, don't bug out too soon
Because we like you, we like you, Mr. Moon
I'll say it again
Come on Mr. Moon, don't bug out too soon
Because we like you, we like you, Mr. Moon
We like you, we like you, Mr. Moon
Get out of here!!!
Come on Mr. Moon, don't bug out too soon
Because we like you, we like you, Mr. Moon
We like you, we like you, Mr. Moon

We like you, we like you, Mr. Moon
Full moon turn my head around and 'round
Full moon turn my head around and 'round
Full moon turn my head around
