So you think you wanna buy me  
I don't think I'm gonna sell  
You been dying just to try me  
I guess you never knew me too well  
Ever getting what you wanted?  
Never getting what you need  
Did you understand the word "love"  
How money will mislead and people really bleed  
'Cause your money's no good here  
Take your yen and run away  
'Cause your money's no...  
Are you lonely, don't you wanna scream?  
Wash the money out of your dream  
Are you crazy, don't you wanna cry?  
Wash the money out of your eye  
When you're losing your connection  
Are you gonna come around?  
When you're aching for affection  
I'll kiss you in your sleep when money doesn't speak  
'Cause your money's no good here  
Take your lira home and pray  
'Cause your money's no...  
Are you lonely, don't you wanna scream?  
Wash the money out of your dream  
Are you crazy, don't you wanna cry?  
Wash the money out of your eye  
Eye eye, eye eye-eye eye  
Don't it make you wanna scream?  
Don't it make you wanna cry, cry?  
Don't it make you wanna scream?  
Don't it make you wanna cry, cry?  
'Cause your money's no good here  
Take your yen and run away...Run away, run away  
'Cause your money's no good here.....  
'Cause your money's no...  
Are you lonely, don't you wanna scream?  
Wash the money out of your dream  
Are you crazy, don't you wanna cry?  
Wash your money out  
Wash your money out  
Wash your money out
