Ask me what I want to be, and I will say I will be me
Nothing more and nothing less today cause yesterday
you'll see Nothing changes in my world I'm just looking
for a thrill Why does everybody have to be somebody

Chorus:

And I'll be
On my way I'm on my way to getting nowhere
Follow me cause where I go I'll go forever
You can come too, if you want too, I'll mess you up to if
you dare On my way I'm on my way to getting nowhere

Go to work get out of bed, put a bullet through my head
Cause I would rather be a garbage man you
understand
Count the money I don't make as I make my next
mistake
Tell your dad I got my future planned I'm in a band

Chorus:

So you're going somewhere
What if you hate it when you get there?
There's more to life your life moves to fast
The breath you take might be your last
