(#51 in 1980.)

Everyday when you turn away from your world boy
You're ignoring your life and oh, what a shame boy
Stay in time boy, don't get out of line boy
Take a stand, don't get out of hand
Use your head you might as well be dead
If you don't, boy!

Every night when you slip away to your sad dream
You're denying the love and oh, what a sad thing
Stay in time boy, don't get out of line boy
Take a stand, don't get out of hand
Use your head you might as well be dead
If you don't, boy!

(guitar solo)

Everyday when you turn away from your world boy
Don't you know now you're denying your love
What a shame, boy
Stay in time boy, don't get out of line boy
Take a stand, don't get out of hand
Use your head you might as well be dead
If you don't, boy!

Stay in time, don't get out of line
Stay in time, don't get out of line
Stay in time, don't get out of line
Stay in time, don't get out of line
Oh boy, stay in time, don't get out of line
Oh boy, stay in time, don't get out of line
Oh boy, stay in time, don't get out of line
Oh boy, use your head you might as well be dead,
dead
