You think I'm crazy  
But that's not always true  
They'll never change me  
I'll keep my eyes on you  
No urgent training  
Or entertaining  
But what you've done for me  
Is change my life completely  
(I think I maybe)  
(I might be crazy)

And now we'll carry on  
We'll fire away, fire away  
At all the misdirected anger in our lives  
Cause now your eyes can't witness  
What your ears can see  
No way your eyes could witness  
What you mean to me

Let's sit and talk it out  
No need to fight about  
These things that make me laugh  
When you're not around  
Explain this now to me  
Cause I just cannot see  
Why you've been hanging around  
That messed up crowd

And now we'll carry on  
We'll fire away, fire away  
At all the misdirected anger in our lives  
Cause now your eyes can't witness  
What your ears can see  
No way your eyes could witness  
What you mean to me

You'll never know  
What you mean to me  
You'll never know  
What you mean to me, mean to me  
You'll never know  
What you mean to me

Youâ€™ll never know  
What you mean to me, mean to me

And now weâ€™ll carry on  
Weâ€™ll fire away, fire away  
At all the misdirected anger in our lives  
Cause now your eyes canâ€™t witness  
What your ears can see  
No way your eyes could witness
