

## Hooray For Autumn "The Simplest Exchange"

Looking back I wish I knew  
I could be me and you be you  
So much time we left unused  
Uncanny premature I doâ€™s

I want the whole wide world to know

That weâ€™re captivating towns  
With the simplest exchange  
Weâ€™ve got it figured out  
Itâ€™s like life is just a game  
So Iâ€™ll scream it out  
Iâ€™m happy now  
Cause girl youâ€™ve got me figured out

Untwisting tales of times weâ€™ve run  
As fast as lightening through everyone  
To get away from those judging eyes  
Letâ€™s see them block out these happy cries

I want the whole wide world to know

That weâ€™re captivating towns  
With the simplest exchange  
Weâ€™ve got it figured out  
Itâ€™s like life is just a game  
So Iâ€™ll scream it out  
Iâ€™m happy now  
Cause girl youâ€™ve got me figured out

And what I need to know  
Is how I get the one that gets me too  
The one I know can make me move  
And what I need to know  
Is how I get the one that Iâ€™m used too  
The one I know can make me groove

Cause were captivating towns  
With the simplest exchange  
Weâ€™ve got it figured out  
Itâ€™s like life is just a game  
So Iâ€™ll scream it out

Iâ€™m happy now  
Cause girl youâ€™ve got me figured out  
So Iâ€™ll scream it out  
Iâ€™m happy now  
Cause girl youâ€™ve got me figured out
