A will of blood. Wings that soar. Make shadows and
burn land.
Forever eternal. Black days.

A will of blood. Wings that soar. Make shadows and
burn land.
Forever eternal. Black days.

Oh O. Oh O.

A will of blood. Wings that soar. Make shadows and
burn land.
Forever eternal. Black days.

Oh O. Oh O.

A will of blood. Wings that soar. Make shadows and
burn land.
Forever eternal. Black days.

Oh O. Oh O.

A flash of light. Changing structure. Red monolith into
the sky.

Oh O. Oh O.

A flash of light. Changing structure. Red monolith into
the sky.
