"Triangle"

I know you have a hidden love
A triangle has formed
A disaster is at hand
Let me hear your voice
Lie to me
Your mind is a place
So cold it kills

Cut my heart
Make me bleed
Cut my skin
Make me scream
[2x]

I know now you want to apologize
You need to show me who you love the most
I know you must make a sacrifice

Cut the skin

Make it bleed
Make it scream [2x]

Cut my heart
Make me bleed
Cut my skin
Make me scream
[4x]

I know jealousy is always a part of me
Kiss me if you dare
Prove who you love
Touch with your lips and destroy
Drown me in the truth
Make me scream [2x]

Take my heart
Make me bleed
Cut my skin
Make me scream
[2x]
