In a boat to Ellis Island  
I saw Santa Nina  
Don't kiss boys

Mrs. Liberty waits for me  
Inside an elevator  
Handing out the cash, yeah yeah  
She was an arrow

She was an Argonaut  
Atalanta  
All she did was promise

Beauty, beauty all you say  
And that's your only story  
Cheat as you enchant, yeah yeah  
You are an arrow

You are an Argonaut  
Atalanta  
All you did was promise

You are an Argonaut  
Atalanta  
All you did was promise

That the sea would shake  
Wind would rain  
Bird would fake an arrow

When I was twelve  
Dogs would yell  
Run and howl  
And whistle

And all the sugar melted you

Lock the door and throw the key away  
Something told me I should leave right away

Don't forget the bell

Don't forget the bell  
Don't forget the bell  
Don't forget the bell

Lock the key and throw the door away  
Something told me I should leave right away

Don't forget the bell  
Don't forget the bell  
Don't forget the bell  
Don't forget the bell
