(Awkward intro music)
Look at me and tell me the truth
What do you do
When people don't know
What we go through
They see my blonde hair
Blue eyes and class
But they don't know
I have a really big heart
Please, don't get me wrong
I know that I'm hot
But text book perfection
Really takes a lot
When guys call my phone
Girls call me names
But like Miley said,
"I can't be tamed!!"
Hot girls, we have problems too
But we're just like you
Except we're hot (hot, hot, hot)
The world needs to open their eyes
And realize
That we're not perfect
And some times we lie
I got the look
I got the butt
But those things don't make me a (shhhhh)
Boys call me stuck-up
Girls say I'm conceited
On behalf of a hot girl
Those comments aren't needed
Just 'cause I'm pretty
I have to be dumb
I don't care about wits,
I just want to have fun
People start rumors
And say things about me
Funny thing is,
I didn't go to that party
Hot girls, we have problems too
But we're just like you
Except we're hot (hot, hot, hot)

The world needs to open their eyes
And realize
That weâ€™re not perfect
And some times we lie
(x2)
(here comes the bridge..)
Why oh why, canâ€™t you see
You all are just like me
We make mistakes and get in trouble
Now you know our hot girl struggle
Hot girls, we have problems too
But weâ€™re just like you
Except weâ€™re hot (hot, hot, hot)
The world needs to open their eyes
And realize
That weâ€™re not perfect
And some times we lie
(x2)
Just kidding, weâ€™re perfect...
