

Howler "Beach Sluts"

I don't even try any
more, cause i'm afraid and i'm too shy,
I feel just like a ghost, haunting houses, riding on the
other coast.

I feel the same as i did last night,
Lost all my sense, but i'll be alright,
Well i feel the same as i used to feel,
She's stole my soul now it's plain to see.

That i'm so lonely, i can't wait for anyone else,
And i'm so lazy, i won't believe in anything else.

But i don't wanna waste your time,
Feeling like i did last night,
Drinking in the afternoon,
No i don't want to waste your time.
