[Supernatural]

For the Fellowship, huh

This one goes out to the Fellowship, hah

This moment right here, I'ma relish it

All these brothers is strong, black and intelligent, uh

This goes out to the Fellowship

These are real cats and they not delicate

Yo this moment right here, I'ma relish it

All of them is young, black and intelligent

Now I spit this for the Fellowship

Real brethren in the game, real cats never delicate

Four black men, and all intelligent

Love to freak freestyles for the hell of it

They created styles, suckas took the styles

So many styles, that were made, they never been
played, yeah

Back in the days one time they can't regroup

They lost a member, and his name was Jup

But he was bound to come back, better than before

Twice as raw

Came from the pit with the 24-karat jaw

Seen things that you cats have never saw

Now, yeah, jump on the see-saw

I starts to zone, I play chess with Aceyalone

In Lamerck, one time I do work

I rock 'till it hurts, one time can never cease

With the Camp Freestyle with brother P.E.A.C.E., yeah

Drop dimes, yo I met up with Mikah 9

When he was in the NYC, used to chill with me

Sport constantly, as far as I can see

This is dedicated to the brothers Free, yeah

This is dedicated to the Fellowship

Real cats and no they're not delicate

Four black brothers and they all intelligent

So this moment right here, I'ma relish it

Yo, this is dedicated to the Fellowship, yeah
Real cats and they never delicate
Four black brothers and they all intelligent
So this moment right here, I'ma relish it

Now this is just a little shoutout from the cat named
Supernat
Once or twice, when I used to rock at the Good Life
That's when I first started yo to meet all the members
The first time I entered the center
