"Silver And Gold"

Through the storm
We'll find warmth
Underneath the light of diamond studded skies
Here I am
To begin again
I see my breath as all my secrets leave me

Shadows take me
Dusk till dawn
Darkness, embrace me
I'll hold on

Silver hopes and
Golden Dreams
Are we cracked at the seams?
If I could touch you
If I could see
How I want to believe
You're here with me

Into the night
A beam of light
Shimmers over us
Lost and overcome
Don't wanna run
I don't want to hide
Just like outlaws under western skies

Shadows take me
Dusk till dawn
Darkness, embrace me
I'll hold on

Silver hopes and
Golden Dreams
Are we cracked at the seams?
If I could touch you
If I could see
How I want to believe
You're here with me
