I'm pretty sure this isn't the first time In fact I know it's  
true

You make things seem so out of line  
I've thought and dreamed and cried over you

You mess me up  
Make me lose my head  
But I guess all that's left  
Is to do it all again

(chorus)  
You've ruined my life  
You've made me mad  
You've hurt me over and over again  
You're so out of touch  
We're going downhill  
But now I fear I see the end  
The End

I am always thinking about you  
I can't explain why  
You're trapped inside my mind  
Like a song played again and again

You mess me up  
Make me lose my head  
But I guess all that's left  
Is to do it all again

(chorus)  
You've ruined my life  
You've made me mad  
You've hurt me over and over again  
You're so out of touch  
We're going downhill  
But now I fear I see the end  
The End

I've written a song about you  
Actually quite a few  
They're happy and sappy  
Romantic and kind

But not this time  
Welcome to my life

(chorus 2x)  
You've ruined my life  
You've made me mad  
You've hurt me over and over again  
You're so out of touch  
We're going downhill  
But now I fear I see the end

You've ruined my life  
You've made me mad  
You've hurt me over and over again  
You're so out of touch  
We're going downhill  
But now I fear I see the end  
The End

I've ruined your life  
I've made you mad  
I've hurt you over and over again  
I'm so out of touch  
We're going downhill  
It doesn't have to be the end  
It's not the end
