Perfection is an ugly sight  
I never wish for only blue skies  
or pretty white clouds to drift on by  
tell me why do we lie

i never want a clean-- cut green lawn  
with a perfect picket fence to walk along  
painted with-- thick white paste  
without a trace-- of specific taste

### CHORUS

society has brainwashed me  
to believe we never achieve our dreams  
We used to call it  
i thought we were through with kings and queens  
but you're going nowhere without a team  
oh yeah we used to call it the american dream

why wake up to singing birds  
when others want a chance to be heard?  
if i was a fox, the rooster would know it's place  
by dawn, feathers'd hold my gaze

cookie cutter houses lined upon my street  
forming gridlines inhumanely neat  
wheres my house  
theyre all the same  
this is such a stupid game

### CHORUS

### BRIDGE

the sun will shine on sundays  
flowers bloom in may  
birds and bees glide happily  
but heres the reality

someone lives in poverty  
as one lives in wealth  
someone gains a victory

one loses health

the ashes of foundation  
lay all scattered about  
while weâ€™re all left so empty  
as we struggle to figure out

American Dream
