Every time  
You take your eyes off God  
Its just another time  
Your beneath the odds  
Every time you look the other way  
Its just another time  
Youve gone astray  
So your stumbling through life  
You just don't know  
Your trusting yourself  
With your living soul  
Is it worth all the pain  
Worth the guilt  
Of turning your back  
On what is real

Don't turn away  
The life of God  
To please yourself  
You got it all wrong  
You wont find  
A better gift  
Of life in Christ  
No don't turn away

You say you have  
Thought things through  
Youve make up your mind  
On what your gunna do  
And this whole Christian  
God like thing  
Well it just aint for you  
And now your gunna leave

So this world has got you down  
And satan's crawling up your back  
And your blaming everybody  
But you  
You turned your back on God  
You say you messed things up  
But don't you see the problem

Is you

Wheres your faith  
Wheres your trust  
Call his name  
Jesus

So don't turn away from God  
He didn't turn from you  
Even when your wrong  
Well you don't think it's time  
For you  
To give yourself to Christ  
And live a brand new life
