The time has come  
God's only Son  
You will be judged  
For what youve done  
You lived your life  
The worldly lie  
Its now too late  
Your gunna die

So your on your knees  
With a big fat please  
And tears in your eyes  
Your gnashing at your teeth  
"oh Lord spare my life"  
You ask him for forgiveness  
You tell him your to blame  
But what's there to forgive  
He never knew your name

You had your chance  
You turned it down  
You lived your life  
On earthly ground  
Torment and pain  
Is what you'll reap  
Forever death  
Is what you'll keep

So what's your choice  
The time is near  
Don't leave this earth  
Witout a care  
Christ died for you  
So you could live  
Lay down your life  
Its all to give

Its the end of the beginning  
Life and death it starts  
The end of the beginning  
Together or apart
