For your love (love)  
I would do anything  
For your love (love)  
I would do anything  
For your love (love)  
I would do anything (do anything)  
For your love (love)

For your love

Cause For your love (love)  
I would do anything (do anything)  
For your love  
For your love

Closer to my heart  
All over but never part  
I lost you  
Will I ever have you back  
Will I ever have you back

I loved you  
Will I ever love you again  
Will I ever love you again  
Will I ever love you again  
I loved you  
Will I ever love you again

For your love (love)  
I would do anything  
For your love (love)  
I would do anything  
For your love (love)  
I would do anything  
For your love (love)  
I would do anything

For your love

I lost you  
Will I ever have you back

Will I ever have you back  
I loved you  
Will I ever love you again  
Will I ever love you again  
Will I ever love you again  
Will I ever love you again  
Will I ever love you again
