You walk around in disbelief and think He's not real  
And even if he came and died for you it's no big deal  
Cause you don't wanna know the truth no you don't  
really care  
You just want to ignore the fact that God is even there  
I can't understand why you choose to live this way  
Cause God pours out his Grace on you each and every  
day  
His love for you is eternal and it will never die  
So why do you reject the truth and still believe the lie?

Wwwoooooo God's not dead  
Wwoooo He is alive

I know you're filled with pain cause I can see it in your  
eyes  
Your looking for an answer and you're sick of all the  
lies  
You just want something real you just want something  
true  
Now can't you see the answer is that God's the one for  
you  
He's the king of kings and Lord of Lords and the one  
thing you need  
So put your trust in him and in your heart you will  
believe  
He's the King of Kings and the Lord of Lords and the  
only thing you need  
So put your trust in him and in your heart you will  
believe

Jesus is alive he has risen from the dead  
He paid the price for your sin with his blood she'd  
He hung upon the cross and gave his life for you  
Now you see he lives in me and lives forever too

God's not dead  
He is alive
