Neo-nazis your all the same  
Being a bigot is your way of fame  
Saluting like Hitler and yelling "Sieg Heil"  
God made us all, and now you defile

Nazis you ripped us off on how to dress  
Cause mommy wouldn't do it anymore  
Steal our music, riot at our shows  
What's going on in your mind  
Nobody knows

S.W.P. dosnt mean supreme white power  
S.W.P. means stupid white people

Beating people up 'cause they are not white  
Shows how stupid you really are  
This way of thinking has been around for centuries  
And never has gone too far

Lay down your ignorance  
Put it at Jesus' feet  
Cast off your stupidity  
Realize your beat  
Ask God to forgive you  
And change your mind  
Do it before, you run out of time
