"Unity In Christ"

United we stand
Divided we fall
Gotta stick together
Catching those who fall
Gotta be tough
Gotta stand fast
We gotta be the righteous
Cause the weak won't last

Unity in Christ (4x)

We're all for one
And one for all
Jesus is the one who
Lives inside us all
He pulls us together
Our one true focus
Gotta leave our sin
Cause the sin will choke us

Trust in the world
Big mistake
Stabbed in the back
What's it gonna take
Until you realize you are blind
Jesus is the unity you're trying to find
