It never happened  
Never will  
It's not a memory  
There's no way to prove this isn't real  
Never happened never  
Your not a victim  
I'm not to blame  
You've seen my honest smile  
My pretty face  
And all my gentle ways  
Never happened never

She knows it's a sin  
Break him down  
Break her down again  
It's a sin  
Force him down  
Force her down again

If you play quietly  
I'll let you go  
If you play quietly  
No one here will ever ever know  
Never happened never

She knows it's a sin  
Break him down  
Break her down again  
It's a sin  
Force him down  
Force her down again

So please remember me  
I never meant to tell you lies  
So please remember me  
The one who stroked your hair and dried your eyes  
I never wanted this to be  
I never wanted this to be so  
I never wanted more  
I never told you lies  
I never wanted more  
I'm just a boy

Never wanting never

She knows it's a sin  
Force him down  
Force her down again  
It's a sin  
Force him down  
Force her down again
