Holly shit!

Turn around! Every show I burn it down!

You ain't know, better learn it now

Heartbreakers make the world go round

My niggas say "turn the beat, break it down!"

Gang gang she got her boy's shorts on her bootie

Hang hang, I take her back from the club,

we gonna ring a tank and save shit

Me and my homies heading to the top, we can't quit

Bang this!

Chorus:

Wabo di wabo di stop! Drop it like it's hot!

Two twelve, see me beating down the block!

Go ahead, get your money, don't stop!

Don't stop, go ahead, get your money, don't stop!

I make wabo di wabo di stop! Drop it like it's hot!

Two twelve, see me beating down the block!

Go ahead, get your money, don't stop!

Don't stop, go ahead, get your money, don't stop!

Uh, that's the tag line

See my Gucci belt when I sag mine

Fiend afraid to stage, money bag time

Blowing up some.. time

I'm with my team on, head the dream on

Always plotting so you know I got my scheme on

Flow tight, call me Suzy, six speed on

Making money, I stack up and them,

Niggas know what's up with me

Hustling, on the real though

Got a million dollars Afro in the lab, no lab coat

Stacking mad though, keep it real I don't brag though

And the way that I guess hoe

I'm a mercy, taking strips, no scar though

Sipping ,on Muscatto

Chorus:

Wabo di wabo di stop! Drop it like it's hot!

Two twelve, see me beating down the block!

Go ahead, get your money, don't stop!

Don't stop, go ahead, get your money, don't stop!
I make wabo di wabo di stop! Drop it like it's hot!
Two twelve, see me beating down the block!
Go ahead, get your money, don't stop!
Don't stop, go ahead, get your money, don't stop!

Like .. like devil one thousand
Like.. like devil two thousand
Go ahead, get your money, don't stop
Don't stop, go ahead, get your money don't stop! (x2)
