Lyrics:

Verse 1:

Attraction is so universal
You play the part without rehearsal
There is a way to keep your virtue
Close your eyes, don't let them hurt you

((Chant))

Verse 2:

No gender is not an issue
And no I do not want to kiss you
Gay or straight, I would dismiss you
To clarify, it's exponential

Chorus:

If you are the question, I'll be the answer
I'll make sure you'll never be alone
If you are in question, I'll be the answer
I got you hooked all on my Pheromone
x2

Hook 2:

I could be your all, I could be your everything
You give me a call, I-I-I could be your everything
I could be your all, I could be your everything
You give me a call, you give me a call

Bridge:

Can you see it in the air??
Can you feel it everywhere??

There is no sexuality
Only our own duality
And when you see reality
Maybe you could lay down with me

((Chorus))

Got you hooked all over my Pheromone
And hooked all over my Pheromone
x2
