I know, you see
Somehow the world will change to me
And be so wonderful

Live life, breath air
I know somehow I'm gonna get there
And feel so wonderful

I'll make you change your mind
This things happens all the time
And it's all real
I'm telling you how I feel

So wake up the members of my nation
It's your time to be
There's no chance unless you take one
And the time to see
The brighter side of every situation
Somethings are meant to be
So gimme your best
And leave the rest to me

I know
It's time
To raise the hand that draws the line
And be so wonderful

Gold and sunshine
I know somehow it's going to be mine
And feel so wonderful

Show me what you can become
There's a dream in everyone
And it's all real
I'm telling you just how I feel

So wake up the members of my nation
It's your time to be
There's no chance unless you take one
And the time to see
The brighter side of every situation

Some things are meant to be
So gimme your best
And leave the rest to me

Leave it all to me
Leave it all to me

So make it mine and see it through
You know you won't be free until you

Wake up the members of my nation
It's your time to be
There's no chance unless you take one
And the time to see
The brighter side of every situation
Some things are meant to be
So gimme your best
And leave the rest to me

Leave it all to me
Leave it all to me
Just leave it all to me
