(Once)

I didn't know you

But I saw your trash on the curb

(Once)

I'd sit there and watch it

But I couldn't find any words

(Now)

I think I found them

Turns out you've got some words of your own

(Now)

Let's try to hide them for

(Once)

This story

This story

(Once)

You name the questions and

I'll try to hum back the words

(Once)

They'll see it our way when

We promise no one gets hurt

(Now)

Let's visualize it again

We'll write it right off the page

(Now)

Feels so imaginary

(Once)

This story

This story

(Once)

You look so happy together

(Once)

You seem so happy together

(Now)

This story's falling

It's falling

(Now)

This story (once) keeps falling down

(Once)

You look so happy together

(Once)
You seem so happy together
(Now)
This story's over
It's over
(Now)
This story (once) keeps falling down
