I just wanna run forever  
nothings gonna slow me  
I don't wanna keep you waitin'  
just a heads up so you know

I've been drawing circles  
in every city square  
and if you ever get to catch me  
I won't stay for long

[Chorus]  
so don't you wait on me  
hey, save you love for later  
this is overrated  
don't pretend it's right  
hey, save your love for later  
this is overrated  
just a heads up

we couldn't get no higher  
your fingertip touched my sky  
but I can see your star coming  
just a heads up so you know

I'm running out of time  
I'm running our of heart  
I just don't wanna keep you waiting  
so, time to say good-bye

[Chorus]  
so, don't you wait on me  
hey, save you love for later  
this is overrated  
don't pretend it's right  
hey, save your love for later  
this is overrated  
just a heads up

there's no need  
to stick around  
go change your plans  
so wont you give me up and let go

I wont be, be around  
just a heads up so you know

[Chorus]  
don't you wait on me  
hey, save you love for later  
this is overrated  
don't pretend it's right  
hey, save your love for later  
this is overrated  
just a heads up
