There was a time in my life
When I didn't know where to go
And now the time is right
And I still don't know
There was a voice in my head
That I didn't know how to kill
And now the music's high
And I jump right in

There's always something
Then back to nothing
I still got one thing
I got my own thing

Never getting better and I like it
I keep on bending 'til I'm breaking my body
I keep on pushing 'til I like it
You know I love it when I'm breaking my body
Never getting better and I like it
I keep on bending 'til I'm breaking my body
I keep on pushing 'til I like it
You know I love it when I'm breaking my body

There was a time in my life
When I didn't know how to swim
And now the tide is high
And I jump right in
There was a page in my book
That I didn't know how to read
And now the light is on
And I still don't see

There's always something
Then back to nothing
I still got one thing
I got my own thing

Never getting better and I like it
I keep on bending 'til I'm breaking my body
I keep on pushing 'til I like it
You know I love it when I'm breaking my body

Never getting better and I like it
I keep on bending 'til I'm breaking my body
I keep on pushing 'til I like it
You know I love it when I'm breaking my body

Never getting better
I keep on pushing
Never getting better
I keep on pushing
