Never Let You Go [x2]

Everything a Man Can Want
Baby Girl Is Outa Control
It Ain't Hard To Tell she's Fine As Hell
From Her Head Down To Her Toes
She's So Incredible (Totally)
Outa Control (It Can Be)
Whatever You Want
Baby a Few Months
Swear I Never Let You Go

[Hook:]

Usually I Maintain
But Your Beauty I Can't Ignore
It's a Conincidence
That Your Remind Me Of Everything I Really Want
It's So Increidable
From Your Head To Your Toes
Baby You S Fine If You were mine
I'd Never Let You Go

[Chorus:]

Hold On Never Let You Go
You Give Me A Reason For Everthing
[?] For Me To Hold On [x2]

Too Hard To Handle
Too Cold To Hold
For Better Or Worse
You'll Always Be First Babe
Your The Only One I Want
And Everything in Life I Loved
The Closet To My Heart
No Matter Right Or Wrong
Rich Or Poor
I'd Never Let You Go

[Hook:]

Usually I Maintain
But Your Beauty I Can't Ignore

It's a Conincidence
That Your Remind Me Of Everything I Really Want
It's So Increidable
From Your Head To Your Toes
Baby You S Fine If You were mine
Ild Never Let You Go

[Chorus:]
Hold On Never Let You Go
You Give Me A Reason For Everthing
[?] For Me To Hold On [x3]

Never Gonna Let It Go (Everything I Dream)
She's Outa Control (All That I Need)
Never Gonna Let It Go (Out To Night)
She's Outa Control(I'll Never Know)
Never Gonna Let It Go (Out To Night)
She's Outa Control(I'll Never Know)
Never Gonna Let It Go
Gonna Let It Go
Gonna Let It Go

[Chorus:]
Hold On Never Let You Go
You Give Me A Reason For Everthing
[?] For Me To Hold On [x4]
