I love her ..love
It?s perfect like a movie
I got her and I know she got me
You?re everything she?s just ..
But for the guys that try to get at her
She wouldn?t give em the time of day
That?s ?cause she knows that I have her back
And with her I?ll always stay.
Now tell her

Chorus:
in the party could take you away from me , no
You?re my lady and I?ll never wanna leave, no
No matter if we fall ..we would let go
?cause there is nothing that could take my love you
away
Girl you?re so amazing.

She wants to get married and one day gonna give her
a baby
She gives me but I need
that?s how I .. she don?t want them ..

But for the guys that try to get at her
She wouldn?t give em the time of day
That?s ?cause she knows that I have her back
And with her I?ll always stay.
Now tell her

[Chorus:]
Oh I can?t reach ..steadily
Doing whatever ..happy
Because she deserve it,
I?ll never creap on you
You?re my only lady
And I?ma say .. goldin, but remember girl ..
I?ll always get ..for you ..

[Chorus:]
Oh oh girl you?re so amazing
