

## **Icon Of Sin "Pick Up Your Guns"**

Visit "[Pick Up Your Guns](#)" on MotoLyrics.com

we've been commanded  
for the last time

walking blindfolded we await our fate  
the path is winding but we still believe  
cover the ashes, with every step we take  
no doubts no questions, we will obey

tomorrow's safety is gone  
we close our eyes  
we've done it all and we're the ones to blame  
they've closed our mouths

pick up your guns now, we'll overcome  
walk to the sunrise, we'll overcome

we won't stop firing til this is over  
leaving just embers we will take it all  
we won't stop firing til this is over  
tonight the walls are coming down
