surface
warm and clear
i can see sharply
particles of light
colder
as i'm swimming slow
uncover the lies

tangled in this frightening embrace
i'll let go

abandon this shipwreck of comfort
escape from the questions and denies
they'll soon be forgotten
the deepest of waters
will no longer see the light
we'll soon be forgotten again

the deepest of waters
will no longer see the light again

growing darkness
on this ocean bed
digging my grave
