## I Divide "Stranger In The Spotlight"

Visit "Stranger In The Spotlight" on MotoLyrics.com

And now  $l\hat{a} \in \mathbb{T}^m$  m stronger than the sun,  $l\hat{a} \in \mathbb{T}^m$  m shining bright but outdone, worshiped but although  $l\hat{a} \in \mathbb{T}^m$  m burning worlds keep turning round. You stare at me in awe, though you don $\hat{a} \in \mathbb{T}^m$  t know what for  $\hat{a} \in \mathbb{T}^m$  cause staring means your eyes are wearing out.

So no, I wont be the same. You can' t change, you can' t break me now. I' m calling out again. You know this, you know it' s the truth.

And now  $\hat{l} \in \mathbb{I}^{m}$  m fighting my own war  $\hat{l} \in \mathbb{I}^{m}$  ve seen this once before.  $\hat{l} \in \mathbb{I}^{m}$  m running but  $\hat{l} \in \mathbb{I}^{m}$  s hard to hide when youâ $\in \mathbb{I}^{m}$  re the spotlight. So when youâ $\in \mathbb{I}^{m}$  re in the dark on your own and your resting remember that I am the light and thereâ $\in \mathbb{I}^{m}$  s nothing I can do to recover from all this.

l' m calling out can you hear me l' m lost at sea.
