Was losing the battle
Losing my mind
Thought there's no where to run to
Was dying inside.
Searching for peace
From sex and drugs and still
My heart just keep longing
And my mind refuse to heal

Bridge;

Then came along His grace
That saved a wretch like me
And I beheld His face
The sacrifice that set me free yea

Chorus

Look at me now
My past has fade away
Look at me now
I am born again
Look at me now
The bondage is now broken
Righteousness revealed
Death has lost its victory
Look at me now

Day after day, Night after night
Tossing and turning
The tears I've tried to hid
Faking the laughter
Faking the smile
And I keep wondering
If healing's really mine...

Repeat Bridge:

Repeat Chorus:

Vamp:

I'm saved,
I'm saved,
I'm saved,
I'm saved

I'm Healed (By His Grace)
I'm Healed (By His Blood)
I'm Healed (By His Word)

I'm Blessed (By His Grace)
I'm Blessed (By His Blood)
I'm Blessed (By His Word)

Chorus:
