Come on folks, and get in the groove, we gotta
move.....

I went ridin' the other night
Two colour horse, oh my what a sight!
The name of my horse was Ding Dong
While we was ridin' and singin' a song

Giddy up, giddy up a Ding Dong (repeat)

We rode and we rode the whole night through
My horse was tired, I was too
I had a date with ma girl at eight

Come on Ding Dong we can't be late

I said
Giddy up, giddy up a Ding Dong (repeat)

Got to her house and I got down
There was the toughest guy in town
If I went in, he might use force
Mounted up again and I said to my horse

Giddy up, giddy up a Ding Dong (repeat)

Ahh Ahh Ahh Ahh You got to giddy up a Ding dong, etc
