Verse 1:

Hey you, wanna suffocate you
wanna take it too far, offend the stars...yeah

Verse 2:

Feel it, when I talk to you I mean it
don't worry about no one, staring at the sun...yeah

Chorus:

Don't you wanna break it
Don't you wanna feel again
Don't you wanna break it
Don't you wanna breathe again

Verse 3:

Hey you, wanna eradicate you
Wanna crash into cars then peel the scars...yeah

Verse 4:

Feel it, when I talk to you I mean it
don't worry about the past, nothing's gonna last

Interlude : Cello

Outro:

Don't you wanna break it
Don't you wanna feel again
Don't you wanna break it
Don't you wanna breathe again

Dirty water, dirty water, dirty water water break it up on
me (break it up on me)
Dirty water, dirty water, dirty water, dirty water, dirty
water... beak it up from me
