Intro : Guitar/Cello

Verse 1:

Say something, I'm making my way back home
Say something, Its a long way to go
Making my way , Making my way , making my way back
home

Verse 2:

The trees, they pass by so fast
The wind she feels my hair
The grass, they dance to a tune
Just like waking up with you..... waking up with you

Verse 3:

Say nothing, there's nothing left to say
Say nothing, back from a holiday
Making my way, making my way , making my way back
home

Verse 4:

The rains, they always catch my eye
When the clouds pass by
The moon, she smiles back at me
Just like the open seas

Outro:

I'll be there by your side
