"Rage"

He is the guy who is trying to steal my love,
She is the one who started all this plot,
I'm the fool who is waiting to believe,
Blaming them for this rage that I feel.

All she says: "My love I'm so confused,
Give me time to heal my soul, my bloom",
I'm the fool who trust her to believe,
Honesty will heal her from my sins.

Then she takes me to her room by hand,
We make love, we sing just like in old times,
I'm the fool who is waiting to believe,
This will close the wound made by my skin.

Finally I think we are good again,
But she looks me with her soul and said:
"Oh my love you know I'm so confused,
Give me time to heal my soul, my bloom"

Damn it! Now this guy shows in the picture and become
her best friends.

Corrupt, I know,
You are planning something,
I can feel it in her eyes,
Get out of the way; get out of the way,
You don't belong in here,
You are ruining this story,
Don't you take what is mine,
I'll haunt you down,
I'll haunt you down.

All is lost,
Can you deal with it?
I'm losing my mind,
Because I destroyed all.

I will surrender,
To this hole of emptiness,
I'll leave behind,

My blindness and rage.

What is your problem?

What is your problem?

What is your problem?

What is your problem?
