Oh well here we sit  
where the shoreline meets  
talking all about  
all our fears and doubts  
and as i give my heart away  
like sand I'll wash away

So our lives are hazed  
memories washed away  
who cares for the filth  
that we drank away

And my mind will slow  
and my body grow old  
but the thought remains  
that your love might fade

So you turn your head my way  
And I know we'll be okay

Oh now grab my hand  
Here we go again  
But in a world of doubt  
I'll always be around  
And I feel I've hit  
the deepest sound  
Oh I'll never walk away

So relax a while  
Give time your thoughts and smile  
You know the world still spins  
When you're lost in it

So I turn my head your way  
So you know we'll be okay

Oh now grab my hand  
Here we go again  
But in a world of doubt  
I'll always be around  
And I feel I've hit  
the deepest sound

Oh I'll never walk away
