Verse 1:

My intentions for the night were simple  
Get up on the spot, yup, be in my crew  
Slash me up a lil' girl now I'm gonna make it two  
I pose on the wall st-st-staring at you  
In was on the way to the back when I seen you  
Yeah I said I seen you  
Shawty I seen you  
Yeah man doin' back \_\_\_ on the floor  
Showin' all the how low she can go, yeah

Pre Chorus:

No waiting where you wanna, she just buyin'  
I gotta pay it for her, she my type  
Spend a couple grand on her, I just might  
And bet she'll be mine by the end of the night

Chorus:

All the bad girls in the world, she the baddest  
\_\_\_\_ make her my girl  
I said \_\_\_\_\_ make her my girl  
All the bad girls in the world

Now watch it how she drop (ey), drop (ey), yeah (x3)  
All the bad girls in the world

Verse 2:

So we back up in the VIP  
Surrounded by the girlies, all drinks on me  
Couple bottles of the best, all eyes can see  
Bet she suck 'em like a model, yes she probably might  
be (maybe)  
Saw her from the side she got nice curves  
Yeah I like nice curves  
Damn look at them curves  
Now one of these girls got a body like hers  
Take her home to my mamma  
Yeah that's my word

in the world (x2)

Now go ahead drop, drop, drop  
Go and drop, drop, drop
