Beheaded

Mommy doesn't have a head any more
Keep it underneath my bed on the floor
Well that's alright, man that's ok
She never really used her head anyway

Daddy called me a silly boy
Bet he wont say that any more
Cause the way his body is severed in two
His vocal cords are gonna be hard to use

Beheaded, watch you squirt like a garden hose
Beheaded, bloody mess all over my clothes

Watch my girl friend come to the door
Chop off her head, she falls to the floor
Well watching my baby's jugular blow
Really makes my motor go

Wrap a towel round the bloody stump
Take my baby's body to the city dump
Then wipe the mess off the bloody axe
Scoop all the heads into my burlap sack

Beheaded, watch her squirt like a garden hose
Beheaded, bloody mess all over my clothes

All my collection, adorns my room on bamboo polls
Used to be a little, but a little got more and more
Now I'm craving yours

Night brings bad dreams, bad dreams with guillotines
Night brings bad dreams, bad dreams with guillotines

Off with her head
Off with her head
Off with her head
Off with her head
Off with her head
Off with her head

Find another victim for my machine
Put 'em in a home-made guillotine
Blade falls, gonna need a casket
Watch your head plop in a wicker basket

Leave the house at a quarter to four
Come back with sixteen or more
Cause the more I walk, the more I see
I got a funny feeling coming over me

Beheaded, watch you squirt like a garden hose
Beheaded, bloody mess all over my clothes
