Is it so wrong to want everything?
Sometimes so close I had it in my grasp.
But I choked, I took all you could give
I tried so hard to make you proud
Its just not my fault, Its just my time to let go
Things fall apart... Things fall apart
I guess its my time to let go
I fall apart... I fall apart
You make things so easy

Why cant I ever get things right?
Im a thorn stuck in your side
Im bringing you down
I try...
Everywhere I seem to find...
My feelings in your eyes
As tears of love roll down your face

Think back... Long and hard
Back to the time I wasnt thinking believe to be
Invincible but here we go again
I swear its like me trying to rain on your parade
Its not my fault
Its just my time...To let go
Why cant I just... Let go
Why cant I ever get things right
Im a thorn stuck in your side
Im bringing you down
I try...
Everywhere I seem to find...
My feelings in your eyes
As tears of love roll down your face

Why cant I ever get things right
Im a thorn stuck in your side
Im bringing you down
I try...
Everywhere I seem to find...
My feelings in your eyes
As tears of love roll down your face

Right down your face
