Our lives run different ways
Through the rain I see you in the sun
Our star shines anyway
If you reach out honey we are one

One two three four
Dog eat dog everyday
On our fellow man we prey
Dog eat dog to get by
Hope you like my genocide

I find it's such a shame
Through the pain I see things as they are
We're sitting up on a plane
And it's true it's high enough to fall
And in time if we can see the errors of our ways
Would anyone change it anyhow?

Our time is up
One two three four
Dog eat dog everyday
On our fellow man we prey
Dog eat dog to get by
Hope you like my genocide
Dog eat dog everyday
On our fellow man we prey
Dog eat dog to get by
Hope you like my genocide

I bet you'd only run if you saw what grows inside our
own

I bet you'd lead the way if it were up to you to decide
But it's not

Dog eat dog everyday
On our fellow man we prey
Dog eat dog to get by
Hope you like my genocide
Dog eat dog everyday
On our fellow man we prey
Dog eat dog to get by
Hope you like my genocide
Like a silver flame

Like suicide
Like killing boy
One two three four

Hmm I especially enjoyed that one. Let's see what's
next.
